**GET YOUR BULGARIAN COMPANY RE-REGISTERED NOW OR RISK  
LOSING YOUR PROPERTY!**

Since Bulgaria joined the European Union in January 2007, the Bulgarian Company registration procedures have undergone fundamental changes.

**If you purchased your Bulgarian property through a Bulgarian company before January 2008 then you need to deal with the re-registration before the end of this year. If you don't, the Bulgarian authorities have powers to liquidate your company, meaning that the company's assets (your property, land etc) may be sold off. As company shareholders/directors, you may also be liable to fines and winding up costs.**

If you are not already aware of this, or you are, but you are experiencing difficulties resolving the issues, please call Emiliya Penkova today on **020 7173 6187** for a no obligation discussion on how best to protect your interests.
